Re: *United States v. Victoria Davidson*,
No. 19 Cr. 126 (AKH)

Your Honor:

With the government's consent, I write to request an extension to January 3, 2024, one week from today, for the filing of Victoria Davidson's response to the government's December 20, 2023, letter brief opposing bail pending appeal. Between the holidays and working on a Second Circuit reply to a 120-page government brief, I require a little more time to respond. I have conferred with AUSA Madison Smyser who notifies me that the government has no objection to this application. Happy holidays and happy new year.

Respectfully submitted,

Ezra Spilke
